This certification is given solely to evidence that Ordinance No. 293 has been complied with so that the owner may sell, transfer, assign, mortgage or refinance the property. This certification is not intended to benefit and may not be relied upon by the owner or any purchaser or future owner of the property. This certification does not evidence the Township's inspection of or opinion of the soundness of the property's sewers or any other feature of the property. Based on the information herein set forth, the Township hereby issues Certificate No. _____. The request for any future municipal lien letter for sale, transfer, assignment, mortgaging or refinancing of the property will require a new evidence of compliance.
