Local Author Danielle Cochran will visit the Northern Tier Library on Saturday, February 21 at 11 AM to share her book *There's a Dachshund in My House!* This event is designed for children, but enjoyable for parents, grandparents, and caregivers as well.

Find out who Danielle is, what inspired the book, and how Maple and Oscar came to life with help of an illustrator from the Ukraine and how she created the images during a time of war in her country. Followed by a cozy story time where Danielle reads the book aloud to the audience. At the end there will be a book signing with copies for sale (if you would like).
